## Annual Membership Dues Invoice

Annual dues for this year are \$50.00.

Through the annual collection of \$50 in dues the Association is able to cover administrative costs, entranceway lawn service, as well as the cost of community events. Although membership in the Association is voluntary, we are counting on you to partner with us to keep our neighborhood a great place to live and play.

Remember, your dues are the only way we are able pay for the items in our budget.

Thanks for your support!
